

## VMTA Shenandoah Valley Chapter President's Report 2013

Lee Ann Dransfield, President

July 8, 2013

Our Chapter continues to meet twice yearly to organize events. We held three student events – the Fall Festival on November 17 was run by Sue Boyd; the Theory and Sight R  
summersummeading test on March 16 was administered by Judy Connelly; and the Bach Piano Competition on March 9 was run by Lee Ann Dransfield.

The State Conference was held November 8 - 11 at Shenandoah University, and the chapter organized the local sites and helped run the conference.

We continue to be a very small chapter, but student participation continues to increase and our membership has also grown this year.
